Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 10 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very windy overnight. Windy with blustery showers on Thursday.

This Evening and Tonight:
Very windy overnight with gales in places, especially around the coast. Residual rain clearing east this evening, soon followed by blustery showers. These turning heavier and more frequent later in the night. Minimum temperature 7 deg C (45 deg F).

Thursday:
A very windy start to the day with gales in places and further heavy, blustery showers. Continuing windy with a mixture of sunny spells and heavy, blustery showers. Feeling cool. Maximum temperature 12 deg C (54 deg F).

Outlook for Friday to Sunday:
Friday and Saturday, windy with sunny spells and heavy blustery showers. Some heavier rain early hours of Saturday. Sunday, drier and brighter before rain arrives during the evening. Still breezy.
